Fame Wizard® Success Stories

## SUCCESS STORIES

John (Shecky) Mills • Still Well Angel • Blue Sour

### Johh (Shecky) Mills

Shecky has been with Fame Wizard® for nearly 9 months. He has 27 years experience as a professional bass player and is a prolific writer. In his music, you will hear everything from funk, metal, hip-hop, jazz and more. He is also an experienced recording engineer, producer and session player. Fame Wizard® congratulates Shecky, who recently was made a full-time staff member at legendary Azmyth Recording studios in Indianapolis, Indiana. Azmyth has national recording credits including:

Eminem/D-12 • Aimee Allen • Interscope Records • John Sebastian • Solid State Records • Brazil • David Chastain • Demiricous • Avant • Still Remains - Cappadonna (of Wu-Tang Clan) • Lil' Flip - Haystak

### Still Well Angel / Sean

Still Well Angel is an intense hard rock band hailing from the Boston area. With their unforgettable riffs and memorable lyrics they bring originality and energy to the stage. They have worked with Fame Wizard® since July. With guidance from their Fame Wizard® coach, they are now working toward a national endorsement deal with Peter Grim hats. They have already been featured on Peter Grim's website and their facebook page. A Fame Wizard® hats off to you!

## Blue Sour

Blue Sour originally from Chile, now hails from Rochelle Park, NJ. They are an alternative Rock Band that is being played on International Radio since joining Fame Wizard® in September. Blue Sour won the featured artist title on UK Off The Charts Radio for their single, "Days of Old" and received a personal note from Jay Adkins at the station about how amazing their single sounds. UK Off The Charts Radio is one the the UK's biggest online radio stations.

Comments from Jay Adkins (UK Off The Charts Radio) about Blue Sour's single.

"This is brilliant...love it!"

"My job is done, I can now leave, mission accomplished, I can now retire, I found the perfect tune!"

Also, Blue Sour made it onto the "Top 10 Up & Coming" list on NuMuBu!

NuMuBu - Top 10 Up & Coming on NuMuBu

"Blue Sour is the "Featured Group of the Week" on NuMuBu! In their words: "Hey guys, great music!! Really enjoyed listening to it, and given the amount of music I've listened to, this is no trivial event...after listening to you guys, we decided to go ahead and give you the Group of the Week spot. We will also promote you on our Facebook ([facebook.com/numubu](https://www.facebook.com/numubu)) and Twitter accounts. Keep up the great work.""
