## RADIO PLAY FOR SHY BLAKEMAN

Effective Thursday, January 19, 2012 Shy Blakeman's **Easy Goin' Woman** was added to the prime rotation at KHHW AM FM, Oklahoma.

Through the efforts of our Fame Wizard® team, David Harrison, the program director for KHHW AM/FM in Oklahoma City added Shy Blakeman's **Easy Goin' Woman** to his prime rotation, citing that "Shy is right up there with the top country hits we play."

What also makes the relationship with KHHW exciting is that Mr. Harrison has agreed to listen to artists submitted by Fame Wizard® for both on air consideration and provide professional feedback. Way to go Shy and Team Fame Wizard® for a great job.
